Eddie, Hudson Has Built a Little Craft Which He Claims Will Beat All Comers

Which is the speediest boat in town? Eddie Hudson, who has had speed boats for several years, built one for himself in the basement of his Second Avenue home recently and with aid of a 16 h.p. Johnson outboard motor claims he can do close to 35 miles an hour.

The Whizz Bang, which is the name of the simple little one step hydroplane, lifts herself almost out of the water and with her nose in the air, sometimes higher and sometimes not so high, skims along at an amazing speed. No actual tests of speed have yet been made, but it is Eddie's opinion that when he has ner properly tuned up she will real off 35 miles in not more than 60 minutes, or 61 at the most.
