DO YOU SUFFER WITH HEADACHE?

So easy to get quick relief and prevent an attack in the future. Avoid bromides and dope. They relieve quickly but affect the heart and are very dangerous. They are depressing and only give temporary relief, the cause of the headache still remains within. The sane and harmless way. First correct the cause, sweeten the sour and acid stomach, relieve the intestines of the decayed and poisonous food matter, gently stimulate the liver, start the bile flowing and the bowels pass off the waste matter which causes your headache. Try Carter's Little Liver Pills. Druggists 25c red pkgs.

HE CAME HOME TO DIE, BUT DIDN'T

His uncle, a physician, prescribed Kellogg's ALL-BRAN

"I didn't 'go west' in France, but came home to Canada carrying my death-warrant, the doctor declared. I weighed exactly 120 pounds—not much for a six-footer. Look at me now! 185, and as hard as nails!"

The speaker (name if requested) was a young Canadian who served overseas with the Royal Flying Corps, and returned in 1918 a mere shadow of a man. His uncle, a prominent doctor, suggested Kellogg's ALL-BRAN. After one month's trial, he felt better. He persevered, and in three months was back at his position, healthy and happy.

The best part of the story is: his health has lasted as only health gained in a natural manner can last. He is still holding his strenuous position as editor of a successful publication.

Kellogg's ALL-BRAN will relieve constipation and the chain of ills that arise from it, permanently and naturally, if eaten regularly. Eat at least two tablespoonfuls daily—in chronic cases at every meal. ALL-BRAN can conquer constipation.

Made in London, Canada. For sale at all dealers.

SHE THOUGHT

"I'd gladly sit next to you—if it weren't for 'B.O.'"

Yet, to be polite,

SHE SAID:

"Thanks, but I really prefer a straight chair."

Another polite snub—now she knows the reason... "B. O."

(Body Odour)

SHE WAS a newcomer in the neighborhood—eager to make friends. But in spite of her cordial pleasant ways, she couldn't! A few polite calls at first—a few polite invitations. Then—*dropped!* She was distressed—bewildered. It wasn't the first time this had happened. What could be the reason? Then one day she found out. "B.O."—body odour. . . Now she has many invitations—scores of friends. She knows the easy way to keep perspiration odourless.

Who can say "not guilty?"

If we always knew when we were guilty of "B.O.", of course we'd correct it at once. But it's so easy to offend and never suspect it. Everyone perspires. Pores give off a quart of odour-causing waste

even on cool days, doctors say. Accustomed to this ever-present odour, we don't notice it in ourselves. But others do! Don't risk offending. Play safe—wash and bathe with Lifebuoy. Its gentle, searching, antiseptic lather purifies pores—destroys every trace of body odour—leaves you feeling gloriously fresh and clean. "The only toilet soap for me!" say millions of particular men and women.

Complexions stay young

Lifebuoy's gentle yet thorough cleansing, frees clogged pores of all impurities—brings fresh, radiant, healthy beauty to dull, sallow skin. Its pleasant extra-clean scent—that vanishes as you rinse—tells you Lifebuoy purifies. Adopt Lifebuoy today.
