DANK . . . trust company . . . insur-D ance office . . . manufacturer . . one and all they let her go. They didn't tell her the real reason. And she never suspected "B.O."—body odour.

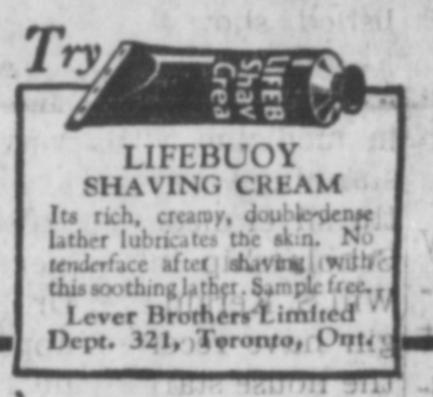

Finally an employment manager had a frank talk with her. She went away from that interview in tears. But she took the advice given her. Today she has steady work-steady advancement. She knows the easy way to avoid offending now.

It never pays to take chances with "B.O." We don't know when we offend because we quickly become used to an everpresent odour. But physicians tell us that even on cool days our pores give off a quart of odour-causing waste. And others instantly notice the slightest hint of "B.O."

That's why millions of particular men and women have adopted Lifebuoy as their toilet soap. For with Lifebuoy you can feel safe. Its gentle, searching, antiseptic lather cleanses, freshens and purifies pores so deeply that every trace of body odour vanishes.

#### No more dull complexions!

The best beauty specialist in the land couldn't prescribe a finer complexion soap than Lifebuoy. Acts like a tonic on dull, sallow skins-makes them glow with healthy, radiant beauty. Its pleasant extra-clean scent—that vanishes as you rinse-tells you Lifebuoy purifies. Adopt Lifebuoy today.

Progressive merchants advertise

WHY are some women so patient with pain? Shopping with a head that throbs. Working when they ache all over. Sometimes it's hours before they take Aspirin and get relief! Most men take these tablets the moment that some sudden ache or pain threatens their comfort and so should you. Aspirin is perfectly harmless; it cannot depress the heart. The tablets stamped Bayer are always genuine Aspirin; always the same, always safe. So it isn't sensible to suffer with a headache, a cold, neuralgic pains, or anything else that these tablets relieve almost as soon as swallowed. Buy by the bottle and save money. Any drugstore has the 100-tablet size.
