The alternate to Meeting Last would be some satisfactory agreement with the Premier Co. for treatment in its mill of B. C. Silver

Navigation has started on the Stikine River and considerable mining activity is already in evidence. The Mining Corporation has ent in a crew of men to carry out some preliminary exploration work on the property located near Glenora by the party which was in the ield last year under the direction of Arthur Skelhorne, who passed through, here last week bound ing chosen as meeting night, until north. With the small amount of September when the regular weekwork done last summer after loca- ly meetings will be reesumed. Othtion this property appeared to of- or matters of a routine nature were 'er considerable promise and it is dealt with. he general hope that continued G. W. Johnstone occupied the work may result in a producer chair. Howard Thompson, representing the Consolidated Mining & Smelt-Ing Co. is now on his way up the liskut with a crew of men to do Amy Johnson Is some further work on a property that was located last year and which in the opinion of Consolidated, warrants further work. W. B. George and S. G. Lawrence, both of Stewart, arrived at Telegraph Creek on the first boat up the Stikine River this season and

DON'T SUFFER WITH DANGEROUS INDIGESTION

Do you suffer after meals with a belching, from sour and acid stomach? Many believe they have heart trouble and tremble with fear, expecting any minute to drop dead. This condition can be prevented, likewise relieved.

Take Carter's Little Liver Pills

after meals and neutralize the gases. Sweeten the sour and acid stomach, relieve the gas and encourage digestion. The stomach, liver and bowels will

be cleansed of poison, painful and dangerous indigestion disappears and the system enjoys a tonic effect. Don't delay. Ask your druggist for a 25c pkg. of Carter's Little Liver Pills.
