Shop Today and Shop at Home

Prince Rupert merchants are offering some great values for Christmas this year. Many of them have dropped their prices to keep pace with the reductions made in the great centres of population.

This is a good time to buy. Get the shopping done before Christmas is too near and the stores are crowded with eager men and women anxious to grab for anything.

Most Prince Rupert people are not affected by the hard times. Many are better off today than they were last year because their money goes farther. They can buy more if they wish for their salaries remain the same.

Friends need remembering just the same this year as in the past. Some of them need it more.

Those who are able to do so would do well to shop mornings because at that time the merchants and their assistants have time to attend to your wants.

Read the Daily News advertisements, for they will help you in your selection.
