He ought to know, for he makes his living as a mountain guide in the heart of the famous Canadian Rocky Mountains, with headquarters at the Canadian Pacific Railway's hotels at Banff and Lake Louise, and has more "first ascents" to his credit than any other man in the country. His brother Ernst (right) is also an experienced guide and mountaineer. Both are natives of Interlaken, Switzerland, and have winter-homes in the little Swiss guide village of Edelweiss, in the Columbia Valley.
