### PAIN so easily relieved

How to treat Headaches Neuralgia Neuritis or check a Cold

WHY are some women so patient with pain? Shopping with a head that throbs. Working when they ache all over. Sometimes it's hours before they take Aspirin and get relief! Most men take these tablets the moment that some sudden ache or pain threatens their comfort and so should you. Aspirin is perfectly harmless; it cannot depress the heart. The tablets stamped Bayer are always genuine Aspirin; always the same, always safe. So it isn't sensible to suffer with a headache, a cold, neuralgia pains, or anything else that these tablets relieve almost as soon as swallowed. Buy by the bottle and save money. Any drugstore has the 100-tablet size.
