"Duchess" Salutes Bridge

There was a happy incident at the opening of the beneath it with multi-colored flags fluttering from \$20,000,000 Montreal Harbor Bridge on Victoria Day when the Canadian Pacific liner "Duchess of Then she hailed the bridge with the stentorian Richmond," 20,000-ton giant under the command of Just as Premier Mackenzie King was formally open-Ag the bridge, the liner passed dramatically weight of steel-20,000 tons-as there is in the ship.

bow to stern and her ensign dipping in the salute. "long, two short and long" blasts that herald arrival of Canadian Pacific ships. It is interesting to note that what is seen of the bridge contains the same

Evidences of Progress

There are a number of very material evidences of the progress of Prince Rupert just now. Among them may be noted:

The construction of the first unit of a large hydroelectric power plant for the use of the city and neighborhood. Myses Copper, Lead and Zi-

Plans all laid for building of new Ganadian National Railway Hotel to commence this year. Tenders being called for new Liquor Store for

Provincial Government on Third Ave.

Work proceeding on construction of highway by Provincial Government.

Securing of contract by local shipyard for building large railway car barge for use in the south, the work to be done this year.

Extensive new fishermen's floats being built by Federal Government. New Post Office expected to be built by the Feder-

al Government. Work on new addition to Fisheries Experimental

Station nearing completion. Number of buildings being planned for private in-

terests. Increased tourist service being given and better stop-offs arranged by railway company.

New steamship to make home port at Prince Rupert just commenced new service.

General spirit of co-operation and optimism on the part of the people of the city, officials of the railway company, power corporation and country generally in regard to future prospects for city and district.
