ASK YOUR DRUGGIST

Jumbo Davies

Who meets Frankie Neel in headliner bout tomorrow night.

Toronto Wanted To Have Davies

Victoria Boy's Services Are Greatly In Demand; To Fight Neel Here

When Jumbo Davies defeated Jackie Caston, Pacific Northwest bantam champion, at Seattle about two weeks ago, his services were immediately requested by several cities in the south. Seattle promoters offered him a couple of main event bouts; Bellingham wanted him for a main event, Port Angeles and Aberdeen tried to get him to box in a six-round main event match with Ray Woods; Victoria promoters representing the Central Boxing Club, also angled for his services, and now comes word that he was wanted for a match back at Toronto. All the offers were turned down as his father, Billy Davies, who looks after his interests, had given his word to have Jumbo appear here on June 24.

According to word received from Victoria, Jumbo is working hard for his fight here on Tuesday. Frankie Neel, whom he boxes, is well known in the Capital City as he has done a lot of boxing there and has demonstrated that he is one of the fastest mitt slingers that ever stepped into a Victoria ring. Jumbo realizes that he is billed for a real hard tussle and it is quite evident that he intends to get into superb shape for the bout. It is generally conceded that Frankie is much faster than the tow-headed Victoria boy and it is predicted by some of Neel's supporters that the local boy will box rings around Davies. Others predict that Davies will manage to stow Frankie away with a knockout towards the latter stages of the contest. They evidently base their opinion on the list of knockouts that Jumbo has to his credit and to the fact that he has been able to make such fighters as Jackie Caston, Harry Ketchell, Wing Hay, Billy Petrie, Jimmy Lucas, U.S. navy champion, wilt under his vicious body wallops.

Jumbo, with his brother Albie, has been in the fighting game practically since he left the cradle. During the war these two midget fighters raised many thousands of dollars for Red Cross and other war charities. Both boys are very clean livers and all of their spare time is devoted to improving themselves in the boxing game as it is their hope some day of bringing world championship honors to the city of Victoria.

The man who would never walk again.
Who could imagine a more poignant story than this? A champion athlete—Olof Anderson. Told that he could never walk again... and then he took Kruschen.
"My doctor told my landlady that I could never walk again. I had rheumatism set in about Christmas-time, and was confined to bed for two months.
"I am nearly sixty years of age. After taking six bottles I am starting to work next week. "Up till two years ago I had been a Champion Racing Cyclist. I have won a prize every time I have ridden. Being an athlete, but a poor scholar, it would take me a week to write the facts about Kruschen Salts."
Original letter on file for inspection.
Kruschen Salts is obtainable at drug and department stores in Canada at 75c a bottle. A bottle contains enough to last for 4 or 5 months—good health for half-a-cent a day.
