

SECURE

“The imposing bulk of the new Head Office Building of the Sun Life Assurance Company of Canada typifies strength and security in two forms:

“One—The impregnable foundations of the Company, reflected in over \$600,000,000 of assets, in its enormous reserves and contingency funds, and in the sagacious administration of its affairs which led the Canadian Superintendent of Insurance, Mr. G. D. Finlayson, recently, to commend “the enormous financial strength of this company, the efficiency and integrity of its officers and staff, and its scrupulous observance of the law in the conduct of its business.”

“The other—The security and protection it affords to tens of thousands of women and children. To every right-thinking man, wife and children are his first thought; their happiness his first consideration; their security his first responsibility. In the Sun Life of Canada, he finds his first and his strongest ally.

HALLOWE'EN AT TERRACE

Masquerade Ball Friday Night Was Colorful Affair

TERRACE, Nov. 3.—The masquerade ball held in the Canadian Legion Hall on Halloween under the auspices of the Terrace Board of Trade was an unqualified success. The hall was beautifully decorated with streamers and appropriate Halloween decorations. About one hundred and fifty people were in attendance, and, under the able leadership of J. McLaren, as master of ceremonies, every one appeared to enjoy themselves from the opening number until the Home Waltz at three o'clock in the morning.

The costumes were voted the best which have appeared in Terrace in ten years, and prizes were awarded as follows:

Dr. Stanley Mills dressed as a mandarin of the “Yellow Button,” which is the highest order. His costume, purchased by him when in China, was beautiful. He was chosen as the most fancifully dressed gentleman and was awarded a silver cigarette case.

Miss Lillian Christy, as a Spanish Lady, was given first prize as the most fancifully dressed lady, her prize being a silver jewel case.

Mr. and Mrs. Duncan were dressed in white in the form of icicles and presented their card as Mr. and Mrs. T. Nawadluk of Point Barrow, Alaska, reindeer exporters. They were awarded the special prize of a silver smoking set awarded for the most original costume.

Mrs. H. McKenney, as Aunt Diana in Negress costume with laundry bag, was given a silver bonbon dish, awarded for the most comic ladies' costume.

Mrs. Abernethy and Stanley Smith, dressed as a pair of French artists, were given a special prize of a large green frog.

Mrs. Wm. Smith, dressed as an escaped convict, was awarded a rubber doll.

Miss Elliot Head, dressed as a pierrette, was awarded a camera for the best girl's costume.

Miss Dorreen Wilson, dressed as a cowboy, received a camera for the best boy's costume.

Lester Taft, dressed as a clown, was given a snap album as the most comic gent.

The judges—Mrs. Raven, Messrs. J. V. Smith, E. J. France, R. B. Wallace and Mrs. A. McLeod had a hard task before them as the costumes were so varied and numerous.

The local orchestra supplied the music.

Cobourg, Ontario.—“Years ago when I had a sick father and a nursing baby to care for, I got all run down and I took Lydia E. Pinkham's Vegetable Compound to get strength to do my work. Another time at Change of Life, I had severe headaches and felt tired all the time. I took seven bottles of the Vegetable Compound and felt like a new woman. I recommend it to any woman who is at the age when she needs building up.”

Prince George Lawyers Given Appeal Award

The Court of Appeal in Vancouver last week allowed an appeal of P. E. Wilson K.C. and J. O. Wilson, Prince George lawyers, against an \$11,000 judgment in favor of Mrs. Elizabeth Overn of Vancouver. Mrs. Overn, who conducted a fur trading post at Whitewater, about five hundred miles north of Prince George, was awarded \$11,000 by a Supreme Court jury in Vancouver against Wilson & Wilson on the ground that they acted without authority for her in litigation concerning the seizure of her business.

Four judges of the Court of Appeal—Chief Justice Macdonald and Justices Martin, Gallihier and M. A. Macdonald, decided that Mrs. Overn had ratified the proceedings. Mr. Justice McPhillips alone dissented.

SILVER IS IMPORTANT

The recent announcement of a reduction in the dividend of the Premier Gold Mining Co., Ltd., is said to be largely the result of the steady decline in silver which is now quoted between 35c and 36c per ounce. This, combined with weaker prices of lead, copper and zinc, brought about the decision of Premier officials to lower the dividends.

It would be a very important thing for the mines of British Columbia to restore the price of silver. Naturally, with a production running normally around ten million ounces annually, fluctuations in the price of silver are of great importance in this province and any foreign move that will tend to stimulate quotations will be watched carefully by mining men as it might result in the doubling or trebling of activities in British Columbia silver camps of which the Portland Canal and Alice Arm districts are examples.
