How much is a dollar?

WHAT your dollar is worth depends on you. Today, a dollar will buy a full one hundred cents' worth of merchandise or service.

The advertisements in this newspaper will tell you where you can make your dollar do its full duty. They will tell you what a dollar will buy. They will tell you, by name, those articles on which you can depend to give a dollar's worth of value for every dollar invested.

The advertisements in this newspaper will give you a new conception of values. They will demonstrate to you the qualities of any article in which you may be interested and tell you where you can buy it at a price you can afford to pay.

By reading the advertisements you will soon become familiar with the most desirable articles of merchandise in all lines. You will learn to have the confidence in them that they deserve, and, when you buy, you can do so with full assurance that you are getting one hundred cents' worth of value for your dollar.

Read advertisements daily to enable your dollar to do its full duty.
