Tops City Baseball League In Batting-Downie in Second Place

George Howe is now the leading batter in the city baseball league with a percentage of .550. Bill Harold, who has led the league most of the season, has now dropped to fourth place. Cecil Downie, with .500, is the only Central player batting over .300. Of the nine leading hitters, five are Elks and three Sons of Canada.

Sons of Canada have displaced the Elks, who have been leading the league in team hitting, while the Centrals team average is just half that of the Native Sons. Batting averages follow:

## Station Winner of Another Game

Defeated Dry Dock 12 to 7 In C. N. R. Softball League

The Station team took their second win in the second half of the Canadian National Softball League last night by defeating the Dry Dock by a score of 12 to 7.

The Dry Dock went up in the air in the third innings, thereby allowing the Station team to pile up runs. Outside of the third inning, the game was closely contested and was very interesting to supporters on both sides. The Station team Auto Mechanics played consistent ball and the aggressive playing of Horton and Lauten was the feature of the game. The stellar players for the Dry Dock were J. Smith and Mac-

tebol.

Smith, Kelsey, MacEwen, Bury, bers of the association. Nelson, MacFee, McDonald.

The next game will be played on July 16 between Hound House and Dry Dock.

## Man in the Moon

And Jake, son of Bunk, held forth and said: Listen my sons and give ear O ye political wiseguys. When a political party thinketh it standeth and refuseth to exert itself to insure victory, lo in that hour is defeat come upon it.

And hear all ye voters, cast thy vote according as thy conscience directeth else thou lose thy peace of mind in the last day.

Many there be who are nominated but few who are elected.

Let him who essays to wager on an election contest beware that he hath the money to lose else he may find both his cash and his self esteem departed on election day.

Blessed is the spellbinder. Verily from the effects of an injury sus- he has his reward in the applause

Much to be envied is he who has the strength of mind to withstand the voice of the political siren and refuses to enter political life.

Blessed is the man who votes early and often, verily he doeth much to advance the sacred cause of democracy.

Blessed is the man who turneth a voter from the error of his ways and bringeth him into the way of political light, verily I say unto you, he d shall get the reward which cometh & to a political conscience.

Blessed is the man that maketh two young blades to vote where formerly only one voted. He shall ? get his reward if they vote right.

Blessed is he who expounds the gospel of political truth to the confounding of the error of the other

Blessed is the political pacemaker. Verily he shall lead the party and bring many votes to the fold.

Blessed be the party heeler for he will stand fast in the faith until the other side pay him a big price
