Avalanche Struck

Ontario Conservatives. An avalanche struck the Conservative Government of Ontario yesterday when the combined efforts of the Liberals, the United Farmers and the Labor men sent them into political oblivion. It was the final sweep of the country against Toryism, so far as provincial governments are concerned. The only remaining Conservative Government is that at Ottawa.

What everyone is asking today is, what effect will this Ontario upset have on the Dominion Government? Will it make the members harden their hearts and cling on to the reins of power? Will the Liberal Unionists who are supporting them stand for a continuance in office indefinitely? If they go to the country, will they have as many members left as Ontario has? These are simply the natural questions which follow the results of yesterday. People with political views are answering them in their own way. Some Conservatives are trying to console themselves with the fact that the Liberals are a minority as well as the Conservatives. What they have to remember is that the Farmers are an opposition party as well as the Liberals and Laborites.

First returns from Ontario seemed to indicate that Labor was running strong. That was in the industrial centres, however. The ten labor men were reported elected early in the evening and then there was no more news in regard to labor. It is for them the substantial gain of nine seats.

Who Will Form Government Now?

Who will be entrusted with the task of forming a government in Ontario now? Will it be the leader of the Liberals or a leader to be chosen from the Farmers? The Liberal party is the only one organized and with a definite leader. The Farmers on the other hand have the largest number of representatives in the House. Neither party can do anything alone. It is possible that the farmers may hold a convention at once and choose a leader and that the Lieut.-Governor will then call upon him; the Liberal leader may be called upon and given an opportunity of trying to unite the factions of the opposition into a governing body; or the third alternative seems to be that there will be a caucus of all the opposing forces, Farmer, Labor and Liberal, and that they will choose a leader from among themselves, whom the Governor will ask to form a government. The situation is a curious one. A similar condition may arise in the Dominion after the next general election, so that the action of the Lieut.-Governor on this occasion may set a precedent.

Interest Here in Ontario Election.

Much interest was taken locally in the Ontario elections. Men and women of all parties were inquiring throughout the evening for results and the News bulletin service kept many informed of the progress which was being made. The Dominion Government Telegraphs provided an excellent bulletin service.

WHEN OTHERS FAIL

Zam-Buk cures the most stubborn skin diseases and sores. This is because Zam-Buk's method of healing is entirely different and superior to that of ordinary ointments. When Zam-Buk is applied it does not remain on the surface skin, as an ordinary ointment would. Because of its unusual refinement it penetrates to the underlying tissues. This is where all skin troubles have their origin. The germicidal properties of Zam-Buk then destroy all germs and thoroughly cleanse the diseased parts. Having done this, the healing essences contained in Zam-Buk so stimulate the tissues that new, healthy skin is quickly produced. The result is a complete and permanent cure of the sore or injury. Zam-Buk is best for eczema, ringworm, scalp sores, boils, pimples, teething rash, ulcers, abscesses, running sores, "barber's rash," blood-poisoning and piles. As a first-aid, too, Zam-Buk is indispensable. It stops bleeding, ends pain, draws out soreness and inflammation, prevents blood-poisoning and heals quickly. All dealers 50c. box. FREE SAMPLE.—Send name of this paper, and 1c. stamp to Zam-Buk Co., Toronto, and we will send you free trial box.
