British Liberals Have Made No Bargain With Labor Gov't But Do Not Want Baldwin In

LONDON, Dec. 5:-The wild horses of Wall Street have dragged Great Britain over a rock road of finance, Rt. Hon. David Lloyd George today told a council of his party. The mischief of Rt. Hon. Stanley Baldwin's United States debt settlement continues to spread, he said. "We are only beginning to realize what that terrible debt settlement means. That gold standard settlement was premature and ill thought out. The Liberal party has made no deal to keep the Labor party in office but it has no desire to see Rt. Hon. Stanley Baldwin become prime minister," Lloyd George said.

Salvation Army Plans to Bring Christmas Spirit to Many People

The Salvation Army is starting its campaign for Christmas cheer to the needy in and around Prince Rupert. Adjutant Kerr says there are many more needing help this year than usual and there will be a much larger number looking for a good Christmas dinner. Because of that he is asking for a generous response to his appeal.

Donations may be made in cash or in goods of any kind, including groceries and provisions. Cash should be sent to the Daily News or to any member of the Army staff but goods should go to the Army headquarters. All donations will be acknowledged through the Daily News columns.
