# *Max Schmeling Given Decision Over Jack Sharkey on Foul in Fourth Round; Was Nearly Beat*

**Fight in New York Last Night For Heavyweight Crown Was Great Disappointment—Both Men Say They Were Best**

NEW YORK, June 13:—In a sudden and bewildering finish, Max Schmeling was proclaimed winner over Jack Sharkey last night on a foul in the last few seconds of the fourth round of a scheduled 15-round engagement that failed dismally in its object of crowning an undisputed heavyweight boxing champion of the world. The young German, after being on the verge of a knock-out in the third round from a visious two-fisted attack as Sharkey let loose, crumpled up against the ropes in the fourth and fell writhing in agony to the canvas from a left hook that landed fully two inches below the belt and in the left groin.

Amid scenes of the wildest confusion and the uproar of the managers, the seconds and handlers clambered into the ring. Schmeling was carried limp and groaning to his corner and several minutes elapsed before Referee Crowley finally reached his verdict in the German's favor. The final blow was unquestionably a low one. It was a stunning disappointment to the crowd of nearly eighty thousand spectators.

Max Schmeling was a sick and none too happy fighter as he lay on the rubbing table after the fight and regretted that he had won from Sharkey on a foul. "I have to win like that," Max said. The only marks on the German were slight swellings on both eyebrows.

Schmeling said that for three rounds he had let Sharkey punch him in order to find out what he was. "He could not hurt me," Schmeling said. The German said that he did not think Sharkey was as good a fighter as he. In the fourth, Max said, he knew he could beat Sharkey.

Sharkey said, after the fight, that he did not think much of Schmeling's ability as a fighter. He said that he was playing with the German and could have knocked him out any time he wanted to. Sharkey hopes to get another chance to fight the German.

### SPORT CHAT

Prince Rupert Athletic Club and Canadian Legion will tangle with the pigskin tonight in the first game of the Dominion Day Cup series. Canadian Legion and Regiment were to have played the opener on Monday night last but rain prevented it and the match is postponed until next Friday. It is said that the Legion means business in the contest for the season's second piece of silverware and soccer fans are hoping that they do so that it may be an interesting race between all three teams. The Athletic Club nearly won the Gilhuly Cup and are hoping to cop this time. The argument may be expected to draw out a big crowd of local football lovers. The two top teams on the first three games will play in the final on the eve of Dominion Day.

The splendid performance of Borden Street football team in holding High School to a draw on Wednesday evening has created a most interesting situation in the Junior Football League and aroused considerable excitement among the pupils of their school, their parents and friends. The standing in the league now shows High and Booth equal in points and a play-off is necessary. This will take place on Saturday afternoon. A few years ago a similar situation produced football of the highest quality and those experienced footballers who saw the games were unanimous in declaring that no better football had ever been played on the Acropolis Hill. The standard may not be quite so high this year but there is not the slightest doubt that the boys play good football in the right spirit and to the last kick.

It is hoped that there will be a big turn-out of grownups to see this game. There will be an excited crowd of pupils of the schools and there is no greater thrill than to see the teams doing their utmost for the sake of their schools. Teams will be:

Booth: Suehiro; A. Walters (captain), D. Gomez; T. Nakamoto, W. Cross, A. Davies; J. Wardroper, A. Ivarson, G. Blake, D. Christison, L. Cromp. Spares, G. Holstein and V. Miller.

High: D. Stinech; J. Greer, C. Smith; C. Bartlett, Katsuyama, Hickey; Palmer, Kanaya, K. Nakamoto, Bacon, O. Wingham.
