Could not Eat or Sleep after Husband's Death

Her husband's death left her very run down in health, unable to cat or sleep much. Now she is brighter in spirits and eats and sleeps well. What caused the difference? Let her answer in her own

" I think Kruschen Salts are a splendid tonic. After my husband's death in December last I became very run down in health. Had terrible fits of depresrheumatism. I decided to take Kruschen Salts and have now taken the little daily dose for nearly two months, during which time my health has greatly improved. The rheumatism has completely left me. I am much brighter in spirits and both eat and

When life begins to "get you down," when you begin to feel the results of modern artificial conditions-errors of diet, worry, overwork, lack of exercisethen you should turn to Kruschen Salts. They possess a wonderful power of giving new life and vitality to the countless millions of cells of which the human body is composed. The way to keep smiling is to take Kruschen Salts every morning-just a pinch in your first morning cup of coffee or tea.

FREE TRIAL OFFER

If you have never tried Kruschen--try it now at our expense. We have distributed a great many special "GIANT" packages which make it easy for you to prove our claim for yourself. Ask your druggist for the new "GIANT" 75c.

This consists of our regular 75c. bottle together with a separate trial bottle-sufficient for about one week. Open the trial bottle first, put it to the test, and then, if not entirely convinced that Kruschen does everything we claim it to do, the regular bottle is still as good as new. Take it back. Your druggist is authorised to return your 75c. immediately and without question What could be fairer? Manufactured by E. Griffiths Hughes, Ltd., Manchester, Eng. (Estab. 1756).
