DADDY CAN NOW EAT ANYTHING

He dearly loved a rich tit-bit. The spirit was willing, but the flesh was weak. Whenever he ate anything rich, his boys used to say, "Poor dad, he will pay the penalty to-morrow." Read the sequel in his own words:—

"Since taking the regular dose of Kruschen Salts it is quite different, and my boys enjoy themselves seeing me eat what I dare not touch before. My eldest son was the same, but since he has taken Kruschen Salts he can eat and enjoy whatever is put in front of him."

Modern artificial conditions, errors of diet, overwork, lack of exercise, and so on, are bound to have injurious effects in the long run providing due precaution is not taken.

Kruschen Salts should be your safeguard. Besides cleansing the body of impurities gently, surely and painlessly, they possess a vital power of giving new life and vitality to the countless millions of cells of which every body is composed. That is why physicians never hesitate to recommend Kruschen Salts.

FREE TRIAL OFFER

If you have never tried Kruschen—try it now at our expense. We have distributed a great many special "GIANT" packages which make it easy for you to prove our claim for yourself. Ask your druggist for the new "GIANT" 75c. package.

This consists of our regular 75c. bottle together with a separate trial bottle—sufficient for about one week. Open the trial bottle first, put it to the test, and then, if not entirely convinced that Kruschen does everything we claim it to do, the regular bottle is still as good as new. Take it back. Your druggist is authorised to return your 75c. immediately and without question. You have tried Kruschen free, at our expense. What could be fairer? Manufactured by E. Griffiths Hughes, Ltd., Manchester, Eng. (Estab. 1756). Importers: McGillivray Bros., Ltd., Toronto.

GREAT WEST LIFE PARTY

Excellent Weather Aided Prince Rupert In Reception Yesterday

Fine, sunshiny weather assisted Prince Rupert yesterday afternoon in giving a reception to the first big excursion party of the season to visit the city. The party numbered 161 persons and consisted of representatives of the Great West Life Assurance Co. from various parts of the prairies and Eastern Canada on their way to Victoria to attend a company convention. The travelers arrived here aboard a special Canadian National Railways train of 13 coaches at 2 o'clock in the afternoon and sailed at 6 o'clock aboard the steamer Prince Rupert for the south.

Met at the station by Mayor Orme and officers and members of the Chamber of Commerce as well as other citizens, the visitors were taken for a trip along the local waterfront in a special train and visited the dry dock and the plant of the Canadian Fish & Cold Storage Co., evincing much interest in both. The trip took up an hour or so's time. Many members of the party also inspected other parts of the city and were apparently well impressed.

The special train bringing the insurance people here was in charge of Conductor W. D. Moxley. R. F. McNaughton, district passenger agent, met the party at McBride and accompanied it here. P. G. Russell, assistant superintendent, Smithers, came in with the special train from there.

Meeting the party here and going south with it were about twenty officials and agents of the insurance company from Vancouver.
