# GIVE SITE

Council Pledges itself to Support In This Way of Y. M. C. A. Project

On motion of Aid. Macdonald, seconded by Ald. Brown, the city council last night gave assurance to the central committee on the establishment of a Y. M. C. A. in the city that it was in favor of granting a site for the building providing the money for its establishment could be raised. Furthermore, the assistance of the city engineer and the board of works in the choosing of a suitable site will be tendered the committee.

This concession on the part of the council was made after a letter from the committee regarding the giving of a free site had been read.
