Captured City Senior Billiard Title From Balagno

More than doubling his lead of 74 points from the first block of 500 points, Don Brown won the city senior billiard championship last night from Charles Balagno, last year's champion, by an aggregate score of 1000 to 846.

While Brown was playing at top form, Balagno seemed unable throughout the whole final to get going and steadily dropped behind. The final block was a long drawn out affair which took two hours and half to play. The match was witnessed by a large crowd of spectators.

Brown's high break for the final was 36 and Balagno's, 32. The former's average was 5.6 and the latter's, 4.7. Jack Judge was referee and
