Defeated Athletic Club By Two to Nil Score in Gilhuly Cup Football Game

Although the Prince Rupert Athletic Club had bad luck in missing some scoring chances, the Regiment was value for a win in the Gilhuly Cup football series last night but, possibly, not by such a decisive margin as two to nil.

In the first half, Regiment monopolized the attack but scored only once, this being when Frank Russell counted on a nice straight play. The Athletic Club had the best of things on the field in the second half, with the hill in their favor, but failed in the important business of shooting, missing a number of chances by narrow margins. Johnny Murray got through to head in the ball from a free kick well taken by Edgecumbe to give the Regiment its second goal.

Laidler, in goal, played a fine game and good defence work was done on the full back line by J. Ross. Doig was the choice of the halves and Russell, Smurthwaite and Johnny Murray were the pick of the forwards.

Spiro Gurvich kept a good goal for the Athletic Club and Hill at half back, was a tower of strength. Albert Dickens had bad luck in hitting the cross-bar twice on long shots. McKay was the next best forward for his side.

The Athletic Club missed Chenoski on the forward line and the absence of Watson and Wilson was also noticed by the Regiment.
