Bill Lambie and Herman Loblick, Local Pitchers, Starred Both in Hurling and Batting Departments

Prince Rupert Elks won both games of a double-header from the Ketchikan baseball team on Victoria Day by scores of 10-0 and 12-2. The local team played championship ball in both games, making 25 hits, eight of which were for extra bases, and only four errors. Bill Lambie, who pitched for Prince Rupert, was the big star of the afternoon game. He held the Yanks to two singles, one of which might have been caught, and struck out 17 batters. He was only in trouble once in the third inning when a single and base on balls, coupled with two stolen bases allowed two men to reach third. Only one other man reached second base and that was on an error in the ninth inning. He finished things off with a home

It was Mr. Bush's first experience in the air and the trip was one of much pleasure to him. He left about 1 o'clock in the afternoon and returned about 5 p.m., the flight taking about an hour in each direction. Going north, the plane flew rather high as there were rain squalls on either side. Coming down, however, the atmosphere was very clear and, for most of the way, the machine virtually skimmed over the water. Mr. Bush had a stop of a couple of hours in Ketchikan.

"Whiz Bang" Cleaned Up Speedboat Race at Port Simpson—Alex Macdonald's Vaquero Is Winning Cruiser

With his new speedboat "Whiz Bang," equipped with a 16 h.p. Johnson outboard motor, which he built himself during the past winter, Eddie Hudson of this city cleaned up honors in the speedboat race of the Victoria Day aquatic sports at Port Simpson on Saturday, taking permanent possession of Northern British Columbia challenge trophy which he won for the first time last year with his speedboat "Spirit of Bronchitis." The distance was a 14-mile twice around a triangular course. Mr. Hudson's time was something less than half an hour and he finished up a mile and a half ahead of his nearest rival, Alex Macdonald's Peterborough boat "Bullet," equipped with a 22 h.p. Evinrude outboard engine and driven by John Bushby of this city.

The third boat in the race was R. Boyd Young's sea sled, with a 16 h.p. Johnson engine, which won the race two years ago. On this occasion, however, there was engine trouble on the second lap and, after the conclusion of the race, Hudson went out and towed it in. Homer Clay was the driver of the Young boat.

There was to have been a fourth boat in the race from the Naas River but its engine dropped off into the water whole on the way to the race.

In addition to the trophy, Mr. Hudson wins a box of cigars, offered by W. R. Love Co., local agents for Johnson motors, and 10 gallons of aviation gas put up by the Union Oil Co.
