For several years following the war, Canada's great national sum- Nova mer pastime, the game of lacrosse, suffered a relapse. This was caused by the great many hardships that followed in the war's wake. Many of the lacrosse leaders were taken away. Leagues were disorganized and only a small number of the boys with heart and soul in tia yachtsmen are keenly interesthe game kept it going. For three ted in a bit of boat building now or four years the youngsters were going on at the yards of the Royal forgotten about, with the result Canadian Yacht Club, the Island, that the time came when there Toronto. At these yards, William was no young talent coming along Ogle, master builder of the R.C.Y. to take the older ones' places. In C. is constructing the 8-metre 1925 and 1926, responsible men Norseman, one of three candidates started to get the boys playing the for selection as challenger for the game. The next couple of years famous Canada's Cup, now held by saw the formation of additional the Rochester Yacht Club, of Roteams, and in 1929 30 lacrosse teams chester, N.Y. on the Lower Mainland performed under the jurisdiction of the B. C. A. L. A.

It is timely to note that in the last seasons that the game went when the Lunenburg schooner, strong up-country and produced Bluenose, built to his design, first many outstanding young players captured the International Fisherwho are right now making good in men's Trophy back in 1921. Bluesenior company with the coast nose still retains the title of undeteams: Mickey McGuire, Ab Hor- feated champion fishing schooner rex, Lyle Edwards, Murray Clark of the North Atlantic. There were fifty-two passengers going north aboard the steamer rincess Norah which was in port this morning northbound from Vancouver to Skagway. These included a number of shipyard workers of the White Pass & Yukon Route going to Whitehorse after having spent the winter in the south.

### DOUKHOBORS ARRIVE HOME

Women who went to prison for indecent exposure by taking part in a nude parade are now ciotnea and in their right minds.

# "—with all his worldly goods"

TERE, in this old strong-box, so long guarded and locked, is his "estate" . . . the "worldly goods" which he has bequeathed to her.

One by one her adviser takes out the temptingly engraved certificates and examines them. One by one he lays them down with a sorrowful shake of the head-

Slowly the truth dawns upon her. Those wonderful purchases that were to make them rich . . . independent. These speculations that were to lead them

to fortune . . . many of them now are WORTHLESS!

But at the bottom of the box there lies an unpretentious document, which suddenly she recollects. It cannot have depreciated. It must still be safe and sure . . .

She reaches in and draws forth his Life Insurance Policy.

Amid the wreckage of thousands of estates, Life Insurance stands as the final and enduring refuge in time of need.

> It is the one investment no man can afford to be without.

Life Insurance Service
