DO YOU SUFFER WITH HEADACHE?
 So easy to get quick relief and prevent an attack in the future. Avoid bromides and dope. They relieve pain but affect the heart and are very dangerous. They are depressing and only give temporary relief. The cause of the headache still remains within. The safe and harmless way. First correct the cause, sweeten the sour and acid stomach, relieve the intestines of the decayed and poisonous food matter, gently stimulate the liver, start the bile flowing and the bowels pass off the waste matter which causes your headache. Try Carter's Little Liver Pills. Druggists 25c red pkgs.
