# BLAZES TRAIL

First Automobile Driven From Grande Prairie to Hudson's Hope

HUDSON'S HOPE, B.C., Jan. 23 .-Blazing the trail for others, the first automobile driven under its own power made a successful trip from Grande Prairie, Alta., to Hudson's Hope a distance of approximately 300 miles, recently. The car, driven by H. Giles of Edmonton, made the journey in a little under eight hours.

A year ago the trail was passable only for pack horses, taking ten programment to the pack horses, taking ten days to cover the same distance. A great deal of work will have to be done on the road before it can be called a highway, but many rough spots have been levelled off. When the work is completed it is expected that the trip from Edmonton to Hudson's Hope will prove an atraction for thousands of tourists.

The population of the Bermuda Islands is now 31,735, of which number 15,328 are colored.
