### PAIN

so easily relieved

How to treat  
Headaches  
Neuralgia  
Neuritis  
or check a Cold

WHY are some women so patient with pain? Shopping with a head that throbs. Working when they ache all over. Sometimes it's hours before they take Aspirin and get relief! Most men take these tablets the moment that some sudden ache or pain threatens their comfort and so should you. Aspirin is perfectly harmless; it cannot depress the heart. The tablets stamped Bayer are always genuine Aspirin; always the same, always safe. So it isn't sensible to suffer with a headache, a cold, neuralgic pains, or anything else that these tablets relieve almost as soon as swallowed. Buy by the bottle and save money. Any drugstore has the 100-tablet size.

The local Lief Erikson Society has further deferred until October the resumption of regular monthly meetings.

Curzon's Men's Wear will open in Prince Rupert under the management of Arthur J. Curzon, well known traveler in North Central British Columbia, whose experience in wholesale dealing with the merchants in this district for many years should warrant his selection and handling of reliable merchandise in the lines being stocked at Curzon's new Men's Wear establishment in Prince Rupert, B.C., on Second Ave. near the Post Office. We understand Arthur is not giving up his wholesale connections but will continue to travel in his territory as usual.
