Rev. A. Gordon MacPherson B.D. Andrew's Presbyterian Church, New Westminster, who arrived here this morning, will occupy the pulpit of First Presbyterian Church tomorrow and the Sunday following. Mr. MacPherson is one of the most capable of the younger generation of ministers and has 111 C been in charge of his present congregation for the last five years. St. Andrew's is the oldest Presbyterian Church in B. C., having been organized in 1862. Mr. MacPherson i a Preacher of Divinity from Knox LAID TO REST College, Toronto.

St. Andrew's lost heavily both in numbers and in financial support following organic union, the congregation being almost split in two, so that they were compelled to seek aid from the head office towards " the minister's salary. This grant is now no longer necessary as the salary from the congregation in addition to the use of the manse, is now far above the minimum. The membership has increased from 150 to 325 and givings to missions and budget have more than doubled.

Mr. MacPherson served with the overseas forces during the Great War, and holds the rank of an officer. He is chaplain of the Royal City branch of the Canadian Legion in which he also held office as president. He is at present on a American-76,000 pounds, 11.6c brief vacation and will leave following his services here for eastern Canadian-50,500 pounds, 11.5c points and his old home in Nova

Mr. O'Brien is accompanied by his wife and young child.

### BOMB IN THEATRE

Big House in Heart of Hamilton Business Section Scene of Explosion Today

HAMILTON, Ont., Sept. 6:-A large section of the city was rocked by a dynamite explosion early this morning when a bomb exploded in Queens Theatre in the heart of the business section. The building was badly damaged.

The crime is blamed on trouble which arose from the fact that the theatre was said to be non-union in its operation.

Capt. James Crockett, Aged Sixty, Gassed to Death In Vancouver

VANCOUVER, Sept. 6: - Capt. James Crockett, age 60, veteran deepsea and coastwise skipper, was found dead last night at his home. He had been suffocated by fumes from a gas stove from which the rubber tube had been torn off. It believed that the captain had had one of the fainting spells from which he had suffered recently.

### 'TIS QUEER SITUATION

Stewart People Legally Must Give 24 Hours Notice Before Getting Water to Fight Fire

situation has arisen between the

Board of Commissioners of the Village of Stewart and the Stewart Public Utilities, the latter being the company supplying water to householders of the town. At the regular meeting of the commissioners last week a letter was read from the Utilities Co., which said in part: ... and that any hydrant broached or used in any manner whatsoever by any person, corporation, or government, whether used in the public interest or not, shall be charged for at the rate of \$100 per hour or part of an hour. Notwithstanding this charge, the company shall not be unless specific arrangements have

water company must be advised at least 24 hours beforehand. In other words, the commissioners must be able to foretell when a fire is going to occur and in order to have sulficient water to fight it, must report to the water company 24 hours before the fire gets under way.

been made at least 24 hours pre-

Obviously this is not the impression the water company meant to convey in its letter, but until further information is forthcoming the commissioners have laid the matter on the table. In the meantime, the letter has been the source common knowledge.

Two Way Conversation Tests Between Ocean Falls and Victoria Successful Yesterday—Prince Rupert to Be Tried Out Soon

VICTORIA, Sept. 6:—Two way telephone wireless conversations were carried on yesterday between Victoria and Ocean Falls. The conversations were carried on from Ocean Falls by wireless to the end of physical lines of the British Columbia Telephone Co. and thence by land lines to Victoria. The radio experimental ship Belmont aided in the test. Following the success of the Ocean Falls test, it is understood that similar experiments will be conducunder any obligation to supply any ted at Prince Rupert with a view to linking that city by specific quantity or head pressure wireless telephony with Vancouver and Victoria. The experiments are being conducted, it is reported, in connection with a plan of the British Columbia Telephone Co. to In effect, the letter means that, establish a regular commercial wireless telephony service in the case of fire, where consider- between Prince Rupert, Ocean Falls and other northern able head pressure is required, the coast points with Vancouver.
