DAILY EDITION

GIVING WORLD NEWS

George Woodland, who just arrived home from Long Beach, Cal., received The Daily News all the time he was there and he speaks most appreciatively of its value. He c. Packers strongly supporting a Moody and John Cross for the suc- of Mrs. K. A. Rood, Mrs. W. P. Arsays that comparing it either with the Long Beach or Los Angeles papers, it gives much more world news than either of them. He drew the attention of a good many took part in the discussion, including latt, Rev. and Mrs. J. H. Matthews, W. E. Williscroft. California people to this fact.

The selection of world news for this paper is done by the Canadian Press, the organization that serves all the a report from a special committee Councillors Henry E. Greene, M. J. Canadian daily newspapers. This organization has grad- being read, putting it up to the gen- williams, Thomas D. Crosby and ually improved until today it ranks second to none as eral meeting of the board to decide Jacob A. Greene, with the people's

purveyors of world news.

The Canadian newspapers try to imitate the English thers of the B. C. Packers, who out- family to represent the friends in papers in that there is nothing provincial about them. They do not confine themselves to giving Canadian news, canners had asked for the legisla- occupied by the visitors from Masbut try to cover the important interesting happenings of tion. He told a little of the history the world from day to day. Doubtless they fall far short that, if the fishing should be limof the ideal, but they do not suffer by comparison with their American neighbors.

The service given The Daily News is what is known as a pony service. While the despatches are often brief, make anything. ,they give the kernel of the happenings of the day. Canadians who have visited England have spoken highly of trial enforcement for one year of this paper when it has been sent on to them and declare the regulations proposed by Mr. there have been practically no important happenings not covered by its despatches.

It s very pleasant to hear these things said, when it is considered that sometimes the home people feel that they are not getting very much for their money. All they have tendency was more and more to ing," under the leadership of David to do is to compare with other places of the same size and disregard the rights of the indivi- Jones, with A. Adams accompanthey will soon see that they are getting very good value.

ANOTHER GOOD PAPER

There is one newspaper to which The Daily News takes off its hat and that is The Daily News of Nelson, B.C. It were given a trial for a year, a con- ond number. takes a full leased wire service daily and is able to pub- ference could then be held and the lish a larger sheet than this one. That is accounted for whole question discussed. by the fact that it is the only paper in the city and that George Munro, in seconding the The following were called upon the country it serves is much more thickly populated than the Prince Rupert district. The people of Molars have all correspondence in connection to speak: Acting Chief Councillor all correspondence in connection to speak. Acting Chief Councillor all correspondence in connection the Prince Rupert district. The people of Molars have a speak and the server of the people of Molars have a speak and the server of the people of Molars have a speak and the server of the people of Molars have a speak and the server of the people of Molars have a speak and the server of the people of Molars have a speak and the server of the people of Molars have a speak and the people of Molars the Prince Rupert district. The people of Nelson have to canners, but he thought an honest Solomon Wilson, Henry Edenshaw, pay 25c a week for it or thirteen dollars a year, which is endeavor had been made to arrive Chief Councillor of Massett, Roger more than twice the price charged here. With those prices at a settlement and at the end of Weir, Captain of Church Army of Men. Harry Menzie refereed. and the larger circulation, more news can be published.

As the population increases here the paper will improve, but the income of any newspaper must meet the cost of production, including the overhead, else it eventually goes to the wall.
