TIME TO BUY AT HOME

This is a time when buying at home is most effective. We need employment for our own citizens. Our young men and young women need the opportunity to earn for them- George where a divisional meeting on the Catala last evening from selves. Employment at remunerative rates is what will keep the city prosperous.

If we were to all buy at home Prince Rupert would be Rupert Fisheries Experimental Staprosperous as never before. There would be plenty of tion, returned to the city on yes- H. C. Fraser, inspector of schools + + + + money for all the merchants and plenty of positions for the girls and boys who want to earn for themselves.

There are times when what a citizen does makes little difference. The place is prosperous anyway. Today Prince Rupert is prosperous but not so much so as to cause any great ecstacy of delight. We must look forward and see Capt. William Thomas, returned to morrow the Gilhuly Cup football that we take no chances. The best method of keeping the wheels of progress turning is to encourage home industry. Buy at home and keep the boys and girls working.

BUY IN BRITISH COLUMBIA

Prince Rupert is an integral part of British Columbia. If the province is prosperous, the city is also likely to be showing advancement. To keep the wheels of trade moving it is a good motto to buy in British Columbia wherever possible. A dollar sent to Vancouver is likely to come back but a dollar sent to Timbuktoo is gone beyond recall.

Pretty much the same argument that is good in regard to buying in Prince Rupert is good also in regard to buying on the Prince Rupert for Victoria.

What does this all mean? That it is time that the Chamber of Commerce should see again that a handful of members of the council should not take snappy decisions on important matters which should go, according to the bylaws, before the proper committee to be reported to the monthly meeting of the chamber. After all, there was no immediate hurry to take such hasty action, since the next meeting of the Chamber of Commerce will be held next Friday.
