All Companies Making Up C.N.R. System to Be Amalgamated Into One Corporation

OTAWA, April 25:-Reconstruc- Hugh Blair Mackenzie, General tion of the financial structure of the Canadian National Railways will be started at this session of Parliament with the passage of a bill to amalgamate into one corporate body all the various companies which now make up the C.N.R. system.

It is not expected, however, that further steps of consolidating various bond issues will be proceeded with this year.

NEW PLANET

Object Photographed at Ottawa Six became general manager of the Years Ago Believed Not the Same as That Discovered From Flagstaff

headquarters in London, England. OTTAWA, April 25:-After investigations and deductions, Dr. Maldrum Stewart, director of the Dominion Observatory, announced Ira Dilworth Is yesterday that he was convinced that an object photographed here six years ago was not the same planet recently discovered by the observatory at Flagstaff, Arizona, but was either a comet or an entirely new planet.

The photograph was found while searching back over old plates following the Flagstaff discovery.

C.P.R. steamer Princess Royal, Capt. S. K. Gray, is due in port at 5.30 this evening from the south. This is the last trip for the princess Royal on the Vancouver-Ocean Falls-Prince Rupert route refusing 10.8c and 5c. as the steamer Princess Mary is returning to the regular service next Week.
