# WEEK-END REVEALS NO FURTHER TRACE MISSING FLYERS

## Equality Eastern Nation Wants And Equality It Is Determined To Obtain, Conference Is Told

Sir Tej Bahadur Sparu, Chief Spokesman, However, Gives PIONEER OF Assurance That His Country Desires to Remain Part of British Empire

LONDON, Nov. 17:—Sir Tej Bahadur Sparu, first Indian spokesman at the round table conference which went Beath of Mrs. Mary Adelaide Mcto work at St. James Palace today, declared that British statesmanship was on trial before the eyes of the world. "An anxious and restless India is watching you," he said. "We have come amidst the jibes of our countrymen and malready have been called traitors to

the Indian cause.

### "It is perfectly natural that we should seek freedom-but freedom as an integral part of the British nation," he said. "We want and are determined to achieve the status of equality-equality with other nations of the British Commonwealth, equality which gives us a government responsible to popular vote."

Why has nothing of the sort been witnessed in Central and Northern British Columbia?

May not the answer to this question be found in the fact that railway construction in the more northern parts of the prairie provinces has assumed something of the aspect of a contest between the two great railway systems, each seeking to be first in occupying desirable territory and thus pre-empting the live with her father, the late E. Vansee, 26,000, Cold Storage, 7c traffic to be developed there? In Central and Northern British Columbia there has been no such competition in extending transportation facilities. The Canadian Paci-Eclipse, 24,000, Booth, 8c and 4c. fic does not enter that region at any Sentinel, 16,000, Booth, 10.1c and point. It has no railway traversing the central part of the province, Norland, 10,000, and Augusta and either from east to west or from Brothers, 9,000, Cold Storage, 10c south to north, which might serve as a basis for branch lines.
