a **COUGH** *racks your body like a rough road racks a car....*

A COUGH is even harder on you than a rough road on a car, because a STEEL body can stand more punishment than one of flesh and bone.

So, don't wait until you are cough weary—until your body aches—your throat and chest are sore—and you are a fit subject for flu or pneumonia.

Get a bottle of Buckley's Mixture and stop that racking punishment. You'll get relief from the first sip, for "Buckley's" acts like a flash. It is a warm, strong, penetrative mixture that goes right to the seat of the trouble—loosens the hard, congested phlegm that causes the cough—soothes the inflamed throat membranes—clears the tubes—invigorates—strengthens—peps you up.

Every druggist sells Buckley's Mixture. Two sizes: 75c (40 doses); 40c (16 doses).

For severe colds accompanied by fever, headache or neuralgia, take LAXPYRIN in addition to Buckley's Mixture and quick relief will follow.
