Norway Pine Syrup

Dry, Hacking Cough Caused By a Neglected Cold

Mrs. James A. Stewart, Stellarton, N.S., writes:cough, caused by a heavy cold I had, at first, neglected. A friend told me if I would take Dr. Wood's Norway Pine Syrup it would help me, so I got a pottle and it did relieve my cough. "I am the mother of six children and I use it for

every one of them when they have colds, and find it always gives relief, and I would not be without it in the house for anything."
