## Rancher Near Ketchikan Heard Whirr of Airplane Engine and a Loud Crash Close To His Home

Search Now Turns Northward As Result of Report; RAILWAY
Thousand Dollars Reward Posted For Sam Clerf, Dead or Alive

KETCHIKAN, Alaska, Dec. 3:-Hopes of finding Pilot Robin Renahan and two companions, who have been missing since October 28, were revived late Tuesday when Willis Folkes, a rancher, reported hearing a plane crash in the darkness about a month ago. Folkes, who came to market here Tuesday, learned for the first time that the airnen were missing. He said that the

Line Depends on Weather

EDMONTON, Dec. 3:-The opening of the Northern Alberta Railway extension from Hythe to Dawson IS STRAIGHT whirr of a plane's motor as it pas-Creek, B.C., by the end of December sed over his ranch on Gravina if weather conditions permit, is ex-Island, less than fifteen miles pected by John Callaghan, general manager, who has returned here from an inspection trip in the north early today to patrol the waters country. Grading has been completed and about 20 miles of track laying remain to be finished.

The 15-mile extension on the orth side of the Peace River, from Fairview to Hines Creek, will likely be opened for service this week.

Track laying and ballasting have been completed on the Fairview= Hines Creek line and all that remains to be done is surfacing. The official inspection of the Railway Commission will take place soon and on recommendation of the inspector the company will be given authority to place the line in operation for passenger and freight ser-

About 200 men are working on the Hythe-Dawson Creek extension, on which a number of bridges are to be built. Given good weather, the line will be completed into the Dawson Creek terminal by the end of the Benny Cromp received flesh year.
