What part of your newspaper is of most interest to you?

THE front page? The society page? Sports? Woman's page? Financial? Editorial? Cartoons?

There is a part of nearly every page that is practical, helpful, full of news-the advertising. Do you interest yourself in reading it? You should.

Here is news of immediate value to you. Comforts-necessities-luxuries-merchandise every bit of which gives you a dollar's worth of value for every dollar you spend.

In the advertisements is information of practical worth. Reputable merchants bring wares for your inspection that are soundly made and of known, proved value. The statements they make they are willing to sign-knowing that each statement must be truthful, for their reputation, standing in the community, and business prestige is at

It pays to read advertisements. For, in this part of your newspaper, you can find where your money can be spent to best advantage. A very material aid in bettering your every-day life. A way of lengthening your pocket book.

Get the habit of reading the advertisements in this paper, and taking advantage of the help they bring you.

If you lose anything, try a classified ad.
