WATT CASE DISCUSSED BY CANADIAN LEGION OFFICIAL

Provincial Secretary Of Veterans Calls On Minister For Amends

Pensions Legislation Discussed By Robert Macnicol at Meeting Here—Civil Servants to Be Protected In Future

Visiting Prince Rupert on behalf of the Provincial Command of the Canadian Legion in connection with the Norman A. Watt investigation, Robert Macnicol, executive secretary of the Legion in British Columbia, stayed over for the purpose of meeting the members of the local branch last evening. Referring to the Watt inquiry, Mr. Macnicol stated that the stand of the Canadian Legion in favor of an investigation into Mr. Watt's treatment, was now fully justified in view of the proceedings of the investigation just held by Mr. Justice W. A. Macdonald in Prince Rupert.

"I cannot discuss the question of coroner's fees, because that would be unfair to the commissioner, Judge Macdonald, who has not yet rendered a decision," said Mr. Macnicol.

Pilot and Two Passengers Lose Lives In First Crash Since Air Mail Was Started Last November

CALGARY, Sept. 25.—Pilot W. G. Holden and two passengers—C. McDonald and J. G. Gibson, both of Calgary—were killed this morning in the first air mail crash in Western Canada since the inauguration of the service last November. The machine left here about 2 a.m. and crashed at Southesk, 90 miles east of Calgary. The burnt wreckage of the plane, together with the bodies, was discovered by Pilot H. H. Kenyon, who was westbound from Moose Jaw and who had been instructed to watch for the plane which was due at that point at 5 o'clock. Kenyon came down but all three were dead.

It is believed that Pilot Holden, in a dense fog, flew straight into the ground.

Treaty of Versailles to Be Torn Asunder By Successful German Fascists, Leader Says

LEIPSIK, Germany, Sept. 25.—Adolph Hitler, Fascist generalissimo, whose party made great gains in the recent general election in Germany, today declared that just as soon as German Fascists, by legal means, have captured political power in Germany, they will tear asunder the Treaty of Versailles, if necessary by means looked upon by the world as illegal. His sensational announcement of purpose was made at the trial of three Reichswehr officers to which he had been summoned as a witness.

Bottom Has Now Been Reached and Turn of Tide Is Commencing

Sir Herbert Holt and Sir Charles Gordon In Very Hopeful Mood As to Future For Canada

VICTORIA, Sept. 25.—"We have reached the bottom and are at the turn," Sir Herbert Holt, president of the Royal Bank of Canada, said yesterday in commenting on conditions in Canada. "There is no stringency of money in the country," commented Sir Charles Gordon, president of the Bank of Montreal. "The trade of the country has suffered a setback due in some measure to the low price of commodities but there is a better feeling now," Sir Charles added. "A revival is coming but it will be gradual," he continued. "There is plenty of money in the country for the business being done and we are always ready to advance loans for legitimate enterprises."

ATLIN HAS AIR MAIL

Pilot Gilbert to Carry Out Winter Service From Carcross With His Plane

Pilot W. E. Gilbert, who has been operating an Air Land Manufacturing Co.'s seaplane out of Atlin in commercial air service during the past summer, is to attach skis to his plane and continue the service during the coming winter. It is stated by J. D. Lawrence, local manager of the Government Telegraphs, who returned to the city yesterday after having spent the summer at Atlin. Pilot Gilbert's plane service will serve in keeping Atlin in touch with the outside world this winter as has never been done before. He will carry mail and passengers from Carcross to Atlin, a distance of 80 miles, making the trip in about 40 minutes. Even in summer the trip from Carcross to Atlin involves two lakes being traversed by steamer with a short train trip between.
