ACCEPT THESE GIFTS WITH OUR COMPLIMENTS

O YOU think of your newspaper merely as a means of If finding out what the famous people in the world are doing, saying, thinking? As an impersonal record of events which do not concern you at all? We have something more than that to offer you. For instance:

Please accept today with our compliments these things as a gift throughout the coming year, which you'll find in our pages: New and better ways of performing old household tasks . . . means of savings steps, time, effort . . . labor-saving devices . . . short-cuts to efficiency . . . money-saving, "Why," you say, "you're probably talking about the advertisements!" Just so—we are.

Think of the advertisements—and read them—as news. News of the world of goods and things . . . news of scientific achievement accomplished for your benefit . . . news that concerns you far more directly than an account of boundary disputes in Baluchistan can ever concern you.

Read the advertisements regularly, and use them as millions of other people are doing-to save you time, effort, money, trouble, when it comes to buying the things that make life a little easier . . . a little brighter. Reading the advertisements will keep you in step with the rapidly advancing standard of living in Canada today.

Every day there's something new in the advertisements as well as on the front page. Be informed on all sides!

informed him the goose nested on old Eskimo that the goose nested the tundra along Foxe basin. Unon the shores of a lake far in the foreseen events necessitated Mr. Baffin Island interior. Mr. Sopher Soper's return to civilization in the
