MANY REGISTER ON VOTERS' LIST

Over One Hundred Names Added
Yesterday Before Final
Closing of Lists.

Yesterday was a very busy day in the city clerk's office, as it was the last chance for householders and license holders to get their names on the voters' list for the 1920 municipal elections. There were more registrations this year than in the last four or five years and a greater interest was taken by the general public in getting on the lists. Even though the city officials had done everything to get people to realize that if they were classed as householders or license holders they must register before 5 o'clock last night, still it is known that many missed their voting privileges. Even a well-informed secretary of a local organization asked last night if a bunch of his members could go up after supper and register. City Clerk Woods even had a call at 1:30 this morning from some one wanting to register.

It is very likely that this year's voters' list will have in the neighborhood of 2,600 names on it or roughly speaking an increase of between 400 and 500 from last year, which was something over 2,100. There were 107 registrations made yesterday alone and 274 during the month of October. The city clerk is now busy compiling lists of the names and the complete list will be ready in December after all registrations close.

The time for property holders is up to the end of November.

*Sam King, a Chinese, accused of having drugs in his possession was remanded till Monday.

INTEREST CONTINUES IN MUSICAL COMEDY

There promises to be a big crowd out tonight to the musical comedy at the Westholme Theatre tonight. Saturday is usually a popular night for theatre goers and it is not often they have an opportunity to go to anything but the pictures. That is the great reason why so many are turning out. The special feature in addition to the comedy is the Hawaiian trio and the lady who dances the hulu hulu so well.

Get Your Money's Worth

Hearing The New Edison for the first time is like opening the blinds to the sunlight.

You expect to hear the familiar "talking machine tone."

Instead—there pours forth the voice, or the music of the instrument, in all its natural beauty—pure and full, and indistinguishable from the living artist.

When you choose an Edison RE-CREATION, you receive the actual voice of the artist or his masterly instrumental performance—nothing more, nothing less.

We know that when you select an Edison RE-CREATION, you are getting your full money's worth because we have proof.

Two thousand musical critics have endorsed our claim that

The NEW EDISON

"The Phonograph with a Soul"

RE-CREATES the human voice and the music of human played instruments without the slightest deviation from the original.

"What the Critics Say", tells the story completely. Ask for a copy; and also for our beautiful new book "Edison and Music" when you come to hear the New Edison.
