### CANDIDATES BOOTHWON OVER HIGH

a Splendid Chance For Someone Now

There have been no candidates for country districts enter the the Junior Football League on Sa- league players were decided upon at Daily News campaign so far. Not turday when they won a notable an executive meeting of the Prince one. In the city, too, there is yet a splendid opportunity for another candidate or two to enter and carry off prizes. Very little effort can secure a fine radio with electrola of the very latest type or a fine set of sterling silverware (not plate), fine solid silver toilet and manicure set or a 97-piece fine quality dinner

Some people have never given it a thought, perhaps, but this will be a short, snappy campaign and is a great opportunity for some person who would like to have one of these get 10% of the cash they take in.

When opportunity offers, the wise person at once takes it, uses it and profits by it.

Just now the Daily News is offering an opportunity to secure one of four wonderful prizes and if there should be any who do not get a grand prize they will get good pay for the work they do.

Some prospective candidates have held back thinking that one or two popular girls would enter and make a cleanup. This has not happened. The ones who took prizes last year have held back and do not seem likely to take part. Now the opportunity is offered to those who are new to the work and who have never before entered a contest.

# Details of this Great Political Novelty Contest

This political contest is a unique one in which all who take part benefit. It is designed to increase the number of paid up subscribers to the Daily News and at the same time to provide valuable prizes and cash commissions to those taking part.

Contestants receive votes by taking subscriptions to the Daily News.

Each new subscriber counts 1500 votes and each renewal of a present subscriber counts 750 votes. Nomination gives 1000 votes to start with. If there are only four candidates the four Grand Prizes will be awarded, but if fewer than four candidates, one prize will go to each, the fourth being eliminated.

In addition to this every contestant gets 10 per cent of all monies secured for subscriptions. When nominated, the contestant may declare whether he or she is working for the Liberal or Conservative party and the total secured by all the Conservative candidates will be set against the total votes secured by the Liberal candidates and the side securing the largest number of votes wins for the party it represents one full page of advertising to be used by the party managers in the interests of such candidate and a two-column spread on the front

page-of the Daily News to be written by the party manager or person he may designate, giving reasons why the candidate should be elected to the Dominion House of Commons. The campaign will be in charge of Miss Huldah Graham of the Daily News staff acting independently and with all records open to scrutiny at reasonable times by the party managers. Independent judges representing both parties will be appointed to count votes and award the prizes, and their award will be final. A complete check of all votes will be kept and will be open to inspection by the public or the candidates after the campaign is over.

### VOTES WILL COUNT AS FOLLOWS
