GOOD SALE OF TICKETS FALL FAIR

Question of Ball Teams to Be Considered at Meeting Tonight

With a good sale of tickets for the Prince Rupert Fall Fair already reported the prospects for a very successful exhibition are indeed bright.

There will be a meeting of the Fair Board tonight to make further arrangements.

The report that the visit of a Japanese baseball team from Ocean Falls might be arranged and that a game would be played with local Japanese players was not quite correct. The Ocean Falls baseball team would be able to engage in competition with the best team that Prince Rupert could probably field.

It has been suggested however that it might be better to get a team up from Vancouver. There would be little additional expense while it is felt in some circles that a game with a Vancouver outfit, where it is practically semi-professional baseball that is played, would be a much bigger drawing card than the Japanese team from Ocean Falls.

A communication was recently received from the Ocean Falls football team asking if the games for the Northern B. C. championship cup now held by Ocean Falls could not be played this year but so far no actual decision has been come to.
