Hotcakes

The doctor takes his recreation fishing. He spends a great many week-ends with a rod.

He takes Pacific Milk on every trip because he says it makes better hot cakes and tastes like fresh cream in tea.

Men nearly all like Pacific Milk for camping trips.

HOW TO BUY VICTORY BONDS

Four Denominations Offered at Either 5 or 15 years.

The Dominion of Canada offers for sale \$300,000,000 in gold bonds. These bonds are in four denominations—\$50, \$100, \$500, \$1,000—and are offered at par. The interest, which is at the rate of 5 1/2 per cent., is payable every six months without charge at any chartered bank. The bonds are issued in two maturities of five years or fifteen years just as the subscriber prefers. Payment may be made in full at the time of application or in installments at any chartered bank. The installments are as follows: 10% at the time of application, 20% on December 9, 1919, 20% on January 9, 1920, and 31.21% on March 9. This last payment is made up of the balance of the principal and interest at 5 1/2% from November 1 on the installments. The first interest will be paid on May 1 when a full half year's interest will be forthcoming to all.

The outstanding feature of this Victory Loan is that "every dollar will be spent in Canada." The fact that none of the money will go outside the country will be a welcome bit of news to all, for this assures Canada a continuance of the splendid prosperity she has enjoyed for some time.

The money from the Victory Loan is to be used to finish defraying the expenses of demobilization, to keep up the military hospitals, to re-establish soldiers in civil life and to establish credits with overseas countries so that they may purchase Canada's surplus food stuffs and manufactured goods. The Victory Loan is the connecting link between the war and the peace that is to remain, it is hoped, forever.

GEORGE BELL ON ONTARIO ELECTION

Member for Victoria Who was Recently Here Took Part in Campaign.

George Bell, M. P. P., who was recently in Prince Rupert and who is known to many here, returned recently to Victoria after having taken part in the big prohibition campaign in Ontario. He spent three weeks on the stump, speaking at meetings in different parts of the province. In an interview given immediately on his return he said:

"The heavy vote polled in favor of prohibition is due to the fact that the people of Ontario are influenced by the proximity to the United States. They realized that the United States has gone dry for good, and they cannot afford to be the dumping ground of the undesirable from the republic. They realize further that immediately ahead of us is severe competition, that we cannot hope to compete with the millstone of liquor around the neck of the people. This means that our people are ten per cent. less efficient on account of even moderate drinking to say nothing of the high cost of liquor, which previous to prohibition was thirty-six million dollars per annum.

STEWART

The Nabob group on Glacier Creek was last week bonded by C. G. Skonsing and associates of Lead Point, Wash. It was located by Jack Watkins and John Cowan. Previous to closing the deal an assay of \$189 was obtained by the purchasers.

It is persistently rumored around Stewart that the Premier mine has been sold to Guggenheim interests for \$5,000,000. R. K. Neill, vice-president and manager of the Premier Mining Co., is expected back from New York in the course of a week or so.

A new road is being built between Stewart and Hyder. It is very doubtful if it will be completed before the snow stops operations but it is being pushed ahead as fast as possible.

The Big Missouri will continue development operations all winter. Chas. Sturtevant, superintendent, has gone south and the work will be continued under Wm. Noble. Diamond drill operations are going on under P. Hanley, of Anyox.

'IT SAVED MY HAND'

"I am a blacksmith. I contracted a sore finger, which led to blood-poisoning. After three months of doctoring, the finger had to be cut off.

It was too late! The poison had spread to my hand and arm. My hand was opened and the bone scraped. No use! Doctors said hand would have to be taken off. I refused, and began to use Zam-Buk. I used it regularly and freely

for a few weeks. It subdued the blood-poisoning and by the time I had used 7 boxes of Zam-Buk my hand was quite healed. Zam-Buk surely saved my hand, and I firmly believe it would have saved my finger too had I used it at first."

These facts were sworn to by Mr. John Evans of 87 Lawrence St., Halifax, N.S., before Supreme Court Commissioner O'Hearn, and the sworn statement may be seen by any person so desirous. Zam-Buk cures sores, eruptions, ulcers, cuts, cold sores, burns, scalds, babies' rashes, etc. See list, all druggists and stores, or Zam-Buk Co., Toronto, for price.
