

Palpitation Of The Heart Nerves Were All Gone

Price 50c a box

Miss Rose Griffin, Ashern, Man., writes:—"About five years ago I was troubled with palpitation of the heart, caused by a shock, and my nerves were all gone, and I could not sleep. I read about Milburn's Heart and Nerve Pills and decided to try them. After I had taken three boxes I was feeling fine again. I think they are a wonderful remedy, and wish all others who suffered as I did would give them a trial."

Mother, Dad, Sister, Brother GRUEN... the watch for all

The smart, modishly inspired styles that so quickly captivate youth; the conservative yet perfectly proportioned designs admired by the mature; the original and practical development enthused over by the man-of-today—all are Gruen... For long has the Gruen Guild set the pace, in the introduction of new ideas and styles in time-pieces... Naturally, therefore, we're showing Gruens for every member of the family, each the utmost value for the amount asked—beginning as low as \$27.50.
