Oil today is the biggest moneymaker known to speculators. The oil fields of Alberta offer tremendous possibilities to those who can afford to buy now. Prices are at the lowest ebb and many people are -availing themselves of the opportunity afforded by a low market. Market conditions prevailing are only temporary and will in the course of the next few months undoubtedly advance to much higher

I strongly recommend leases of from \$20 to \$30 per acre, providing they are on structure and in close proximity to assured active operations. Why not take advantage of the present low prices, as such an action on your part may in a few Price, 50c. a box at all druggists and months place you in a position of

My previous experience covering a period of three years in close contact with the Alberta field is assurance that your requirements will be handled to the best possible advantage.
