CONCERT SUCCESS

The annual concert of the Sunday School of First Presbyterian Church was held in the church last night and was a great success both from the standpoint of the talents displayed by the youthful performers and that of patronage for there was in attendance a large and appreciative audience which taxed the capacity of the spacious auditorium. John E. Davey, Sunday School superintendent, and the teachers were in charge and the good showing made by all those who took part testified to the patience and efficiency of their training efforts.

Rev. Thomas McConnell, the pastor, presided and the program was as follows:

- Selection by Orchestra led by Billy Fuller.
- Chorus by Junior Choir.
- Vocal solo, Margaret Fuller.
- Piano solo, Miss Beatrice Berner.
- Playlet by Mrs. L. M. Fuller's class.
- Vocal solo, Miss Betty Cameron.

A THOUGHT

The thought occurred to us the other day that we would like a dog-team, instead of an auto, in the kind of weather we have been having. With a dog-team you would not have trouble on account of the grease freezing in a dog's hind axle.—Cobalt Northern Miner.

Attendance, For Number of Reasons, Was Not Large at Affair to Raise Money For Baseball Team

Lent being on and the dancing season about over, there was a disappointing attendance at the dance held last night by the Elks' Lodge for the purpose of raising funds to outfit a baseball team. Those who were present, however, had a very enjoyable time from 9 p.m. until 2 a.m. dancing to the strains of tunesome music provided by Charlie Balagno's orchestra.

Sam Joy was master of ceremonies. Charlie Harradine presided at the door and the committee in charge consisted of Stan Moran, William Harold, Harvey Fraser, Will Lambie, Mike Budnich and George Mitchell.

At midnight delicious refreshments were served.

Needless Pain!

Don't be a martyr to unnecessary pain. Lots of suffering is, indeed, quite needless. Headaches, for example. They come without warning, but one can always be prepared. Aspirin tablets bring prompt relief. Keep a bottle of them at the office. Carry the small tin in your pocket. Then you won't have to hunt a drugstore, or wait till you get home. And do not think that Aspirin is only good for headaches, sore throats, and colds! Read the proven directions for relieving neuralgia, neuritic, rheumatic, and other aches and pains. Remembering, of course, that the quick comfort from these tablets is not a cure; for any continued pain, see a doctor. Purchase genuine Aspirin. Protect yourself by looking for that name. Always the same. Always safe. Never hurts the heart.
