### DON'T SUFFER CONSTIPATION

Prevent It This Pleasant, Healthful Way

Beware of the frequent headaches, the listless feeling, bad breath and sallow complexion.

If allowed to continue, constipation may get its grip on you and serious sickness can result.

The poisonous wastes in your system must be removed. Kellogg's ALL-BRAN is guaranteed to do this-safely, completely. Just eat two tablespoonfuls daily-recurring cases, with every meal.

Doctors recommend Kellogg's ALL-BRAN. Because it is ALL-BRAN it brings complete results. Far better than habit-forming drugs or pills that are often dangerous. Kellogg's ALL-BRAN not only prevents and relieves constipation pleasantly - it also supplies your blood with the iron it needs to keep a healthy color and a strong body.

Ready-to-eat with milk or cream. Delicious with fruits or honey added. Use it in cooking. Recipes are on the package for muffins and breads. Sold by all grocers. Served by hotels, restaurants and diningcars. Made by Kellogg in London,
