Provincial Government Strength To Be Tested Through Liberal Motion

Increase of Taxation and Expenditures and Depriving health. Municipalities of Rightful Revenues Matters For Regret

VICTORIA, March 7:—An Opposition want of confi- MADE SPEECH, dence motion in the form of an amendment to the budget motion has been placed on the order paper of the legislature in the name of Ian Mackenzie, Liberal member for North Vancouver. It reads: "This House regrets the in- Indiscreet Remark Leads to Resigcrease in public expenditures, the increase in provincial taxation, the improper appropriation for general purposes of the revenues from gasoline tax and Motor Vehicle Act and the breach of faith with the municipalities of the province in depriving them of their legitimate re- Haynes as Australian trade comvenues.

PROVINCIAL GOVERNMENT IS TO GIVE UP ALL EFFORTS TO REGULATE SALMONFISHERIES

Will Take Possession of Arbitrary Powers to Administer Canning Business—Leave Gear Alone

VICTORIA, March 7:—All efforts to limit canning and W. O. Fulton of Prince Rupert was fishing in British Columbia by law will be abandoned by defence counsel. the provincial government, it was learned reliably today. Instead, the government will administer the canning business on its own responsibility and grant or refuse canning licences as it sees fit. No attempt will be made either to limit fishing operations or fishing gear. The fisheries committee of the legislature has made no formal report yet but its view is said to be that the proposed Pattullo Flays Government For fishing gear by law is impracticable

and unsound.

It is said, however, that the government plans to introduce legis-FISH SALE lation shortly to enable it to license and regulate canneries for at present it has no such power. In prac-Total of 106,500 Pounds Sold This tice, the government intends to prevent any large expansion of the canning business.

Regulation of fishing gear will be left where it rested before in the the season took place on the Prince hands of the federal authorities.

Treaty Will Be Produced, Premier Ramsay MacDonald Tells Scribes After Reopening Naval Parley

LONDON, March 7:- Following the reopening of the naval disarmament conference today with French delegates again present after the three week recess, Premier Ramsay MacDonald told newspapermen: "The conference is going to produce a treaty. That treaty must be specific. It must lay down an agreement in words which are of accurate, legal value. It must supplement these words with programs which have been agreed upon."

The delegation heads will meet again on Monday.
