Contracted Bad Cold Believed Getting Pneumonia

Miss Marguerite Croft, R.N., Chester Basin, N.S., writes:-"'Last winter I contracted a very bad cold. Nothing I tried gave me any relief from the severe pains in my chest, and I believed I was getting pneumonia. My father told me one night he had a new cough medicine for me to try. Before I had taken a half bottle of Dr. Wood's Norway Pine Syrup the pain was greatly relieved. I took two bottles and my cold had disappeared."
