THANKSGIVING DAY

Monday is Thanksgiving Day, set apart by the federal government as a general holiday. It is supposed to be a day Salmon Fishermen's Association, on which to remember the good things of life which we have received and be thankful to the creator for giving yesterday afternoon, went on rethem to us.

To remember the best in life is always a good thing and if Thanksgiving Day does nothing else but focus attention on this it will be good for everybody. Some people remember only the disagreeable things and forget the rest. This makes life mserable for them and for everyone else about them. If we turn our eyes backward let it be to focus on these things that have been beneficial to us and the rest of the world.

NORTHERN B. C. NEWS

The city council of Prince George is prepared to expend \$10,000 on unemployment relief this winter providing the government puts up a similar amount. Street improvement throughout the city is the chief work proposed to be carried on under this head.

Ald. C. C. Reid states that he does for 1931. This, apparently, leaves the field open to Mayor Patterson with a rather good prospect of him becoming mayor for the fifth consecutive year.

Suftered From Heart Trouble

Became Weak and Run Down

Mrs. Wm. Diotte, Glensandfield, Ont., writes:-"For a long period I suffered from heart trouble, and became very weak and run down. I tried various remedies, but they did me no good. One day I met a friend and told her of my trouble. She said she had had heart trouble for two years too, but after using Milburn's Heart and Nerve Pills for a short time she had been relieved of her trouble, so I got two boxes and after taking them I was again feeling fine, and always recommend H. & N. Pills to anyone complaining of heart trouble."
