OLIC comes suddenly. Your first intimation that something is wrong may be a warning cry in the night. If you have a bottle of Castoria handy you needn't worry, for a little of this pure vegetable remedy will soon have baby his happy self again; let him go back to sleep.

Castoria is always the sensible thing to give an ailing child. When a child is restless, fretful, with coated tongue, bad breath and lack of appetite, it is a mother's standby. Most mothers give Castoria an important place in their homes. Ready for sour stomach, constipation, or upset. When buying Fletcher's Castoria always look for Chas. H.
