

VERDICT IS FOUL

Primo Carnera Given Decision Over George Godfrey In Bout

NEGRO WARNED FIRST Thirty-Five Thousand Fans Disappointed At Result of Fight

PHILADELPHIA, June 24.—Primo Carnera, 23-year old Italian giant, in the ring here last night, stepped up against his toughest opposition since arriving in United States and was given the decision on a foul in the fifth round from George Godfrey, veteran colored exponent of the ring craft. Godfrey had been warned first in the third round against hitting low. In the fifth, Carnera, obviously in pain, again claimed a foul and declared he would be unable to continue. The decision was given to the Italian as a doctor was called into the ring to attend him. Thirty-five thousand persons witnessed the battle and were disappointed at the result. Godfrey was 29 years old, or six years Carnera's senior. His weight was 235 pounds and height six feet, four and a half inches as against the Italian's 270 pounds and six feet, seven inches. Carnera was larger than Godfrey in every respect although Godfrey, himself, is considered a giant. The fight was scheduled to go 10 rounds. Carnera actually weighed in at 262 and Godfrey at 252. Godfrey had the lead for a time but was tiring. The foul blow was declared "intentionally low."

NEW RANGE IS PLANNED

On recommendation of the board of works and after considerable discussion, the city council last night gave permission to the Canadian National Small Bore Rifle League, a subsidiary of the Canadian National Recreation Association, to establish a rifle range off Park Avenue in Section 4 subject to legal advice and the city engineer's approval as to safety. Permission to erect the range was asked in a letter from William Brass on behalf of the C. N. R. Rifle League. The proposed site was on the south side of the Cemetery Road not far from the present trap shooting site with which, however, it would not interfere. Full particulars as to the nature of the range were given. The range would only be in use for about three months a year, Ald. Brown explained. The board of works felt that, as long as safety was assured, permission might be granted. Ald. Rudderham thought that the city council had no right to give permission if the property concerned was private. The land, he understood, was still owned by J. F. Duthie, of Seattle. The council approved the recommendation of the committee, taking the view that it was up to the Rifle League to get its own permission from the land owner.

CONFIDENT OF VICTORY

Much Interest Shown In Tonight's Fight Between Neel and Davies

All roads will lead to the Exhibition Building tonight when one of the greatest sport classics of the season will be presented to local boxing fans in the meeting of Frankie Neel and Jumbo Davies of Victoria in a 10-round decision fight. Jumbo Davies was given a rousing reception last evening at the Empress Social Club gym when he indulged in a final light workout. He is a likely looking lad who appears to take his boxing seriously and may be expected to show the fans a keen scrap. Frankie Neel's supporters believe he will outbox his opponent all the way through. Interviewed this morning he expressed himself as being highly confident of victory. Asked if he was in good condition, Frankie replied that he was "in better condition than I have ever been for any of my past fights." "Area you confident of winning?" "Are you confident of winning?" "I am not prepared to say. If possible, I will try for a knockout in the first round, but if I am not successful, I expect to wear Davies down by outfighting him and win the decision." So now it only remains for the going to ring that will usher in these two clever lads who have both a most creditable record of ring battles and who are now equally confident of adding one more to their string of victories.

Big League Scores

National League	
Brooklyn 19, Pittsburgh 6.

Ice Cream and Pop and Candy
For Sale on grounds by Native Sons Assembly

BROOKLYN IS HEAVY AT STICK

NEW YORK, June 24.—Twenty-eight hits off Brooklyn Robin bats beat Pittsburgh Pirates yesterday. The Robins tied two National League records when they batted safely 10 consecutive times in the sixth inning and added two more in the seventh before the batsmen were put out. Chicago Cubs made 24 hits to defeat the Phillies. In the American League, Jolley and Simmons hit two homers each in the second game while Fox, Cochrane and Haas had one apiece as Philadelphia Athletics took a double-header from Chicago White Sox. The Athletics thus increased their margin at the top of the league.

WELCOME NEW BOAT

First Arrival of S.S. Prince Henry to Be Duly Celebrated By City
The first visit to this port on July 5 of the new Canadian National steamer Prince Henry will be suitably observed and a presentation will be made to Capt. Dan Donald, the skipper, to mark the occasion, the city council decided last night. The matter of a reception to the new steamer was brought up by Mayor Orme who thought the occasion should be recognized. Those who had seen the vessel said that there was nothing like it on the coast. He suggested that the Boys' Band be asked to turn out and that as many citizens as possible assemble on the dock. The mayor and as many of the aldermen as possible should meet the boat, it was suggested by one of the members of the council. On motion of Ald. Brown, it was decided to leave the matter of the reception to the vessel and the presentation to the skipper to the mayor and chairman of the finance committee.

FOOTBALL WAS DRAW

First Stuart Shield Soccer Game of Regiment and Legion Ends 2-All

Canadian Legion and Regiment played a fair enough two-all draw last evening in the opening game of the Stuart Shield football series. It was a well played and even game all the way through with the Regiment leading the scoring on each occasion and the Legion soon equalizing. A good-sized crowd of fans was in attendance. The scoring was opened when Doherty made a splendid shot for the Regiment. Soon after, Howe equalized for the Legion and the teams crossed over on even terms. Walker, on a pass from Norrington, put the Regiment one ahead in the second half and, about 10 minutes before time, Tom Haddon scored the goal, which evened the game up. For the Regiment, Norrington and Smurthwaite, on the forward line, were outstanding while Howe, forward, and Baptie, playing at half back, starred for the Canadian Legion whose players have been showing a great improvement in form of late. James Andrews was referee and Mr. Roberts and Alex Clapperton acted as linesmen. The next game in the Stuart Shield competition will be played on Friday night between the Prince Rupert Athletic Club and Canadian Legion.

AUTO PARTY GOES SOUTH

Two Busy Days Spent at Hazelton By Caravan on Proposed Route
After a busy two days at the end of the trail, the Alaska-Yukon highway automobile caravan left Hazelton at noon Sunday on its return south, according to word received in the city. There were about 40 persons in the party which made the trip north including Premier Tolmie, Minister of Mines McKenzie, Director of Publicity Bruce McKelvie, Major Gordon Smith, Mr. McKelvie's assistant, and many other prominent highway officials and press representatives from the United States and Canada. The organization of the caravan was extraordinarily well carried out, it is stated by H. W. M. Rolston of Stewart who went to Hazelton to meet the party and urged the advisability of a branch of the proposed highway being built through the Naas Valley to Stewart. All the visitors from the south spoke highly of the reception and the hospitality which had been extended them. Dr. Doolittle of Toronto, president of the Good Roads Association of Canada, was completely sold on the highway project and was fully impressed with the importance of it. The auto caravan arrived at Hazelton Friday morning. The most of Saturday was spent in visiting various villages in the vicinity and on Saturday the feature of the entertainment program was a big banquet at which many prominent speakers were heard. After leaving Hazelton, a picnic was to be held at Smithers for members of the caravan yesterday afternoon.

SHRINE CLUB HOLDS PICNIC

Pleasant Time Sunday on Sandy Beaches of Lucy Island

On Sunday the Prince Rupert Shrine Club enjoyed its annual picnic on the sandy beaches of Lucy Island, 75 or so persons making the trip in the power vessels Jedway, Full Moon and Vera S. Frye. A pleasant day was spent by all and one of the features of the program was a challenge baseball game between Shriners and non-Shriners, which the latter won by a score of 18 to 13. Percy Tinker and J. W. McAuley were the captains and the batteries were George Woodland and George Munro for the Shriners and Lee Gordon and Carl Brand for their opponents. George Dawes was referee of the game which broke up in disorder when it was found that he was actually a member of the Shriners' team.

CRUISER-MARATHON ENDS HERE TODAY

(Continued from page one)
The people of the city were enabled to turn out and greet the visitors this afternoon. Skippers of the various boats reported that weather conditions had been ideal for the race all the way up the coast. There was hardly a ripple on Queen Charlotte Sound, the longest stretch of open water the vessels had to cross. These good weather conditions were at least partly responsible for bringing the boats here so much earlier than had been planned. While almost all the 12 competing boats had arrived before this paper went to press, the winners up to that time had not been definitely declared as, before doing this, it is necessary to check up the logs and consider any protests that might be made. The full prize list and all details of the race will be available for announcement tomorrow, it is expected. Having been the first boat to arrive, it is expected that the Maide will be declared the winner of the first prize—the handsome trophy offered by the Prince Rupert Rowing & Yacht Club. It is expected that all the racing boats will remain over here until tomorrow night when the local Yacht Club will tender the visitors a complimentary banquet and dance. The United States coastguard cutter Snohomish acted as a convoy for the racers on their trip up the coast and is also expected to arrive here this afternoon. The boats in the order of their arrival today were: 11:25 a.m.—Maide, Skipper Jack Powers. 11:30 a.m.—Bolinder, Skipper Richard Froboese. 11:50 a.m.—Nisbet, Skipper Ray E. Sticker. 12:16 p.m.—Buccancer, William G. Reed. 12:32 p.m.—Triton, Dr. Herbert F. Watson. 12:57 p.m.—Rowdy, Robert C. Moffett. 1:16 p.m.—Winnifred, Adolph Schmidt. 1:19 p.m.—Mary Marran, Frank Seidelhuber. 1:58 p.m.—Kittiwake, Walter Draham. 2:02 p.m.—Argosy, Dr. Rich. This left but two boats yet to arrive—the Tye, Stuart Walsh, and Zize, C. J. E. Blang. It is reported that the skippers of one of the boats received bad news on his arrival here that his son had been shot in Seattle.

RADIO TO-NIGHT

Hon. R. B. BENNETT

LEADER LIBERAL CONSERVATIVE PARTY — Introduced by —

Hon. G. Howard Ferguson

PRIME MINISTER OF ONTARIO
