一个一个一个一个一个 Astonishing Guns Shoot Food to Eat

Wheat and rice grains given their most nutritious form

TERE are wheat and rice grains shot from I guns! To give them a new deliciousness... a more perfect digestibility.

First the choice, plump grains are sealed in guns. Then revolved in fiery ovens. Then fired. This causes 125 million explosions in every grain. It blasts open every tiny food cell. Thus every particle of the grain is made as completely digestible as though it had been cooked for hours. And so Puffed Wheat and Puffed Rice attain the virtual nourishment of hot cooked cereals.

And what new flavoriness . . . what delicious, crisp crunchiness . . . this wonderful invention brings to wheat and rice. The grains are puffed to 8 times normal size. They taste like sweet new nutmeats. They entice as grain foods never have

Serve Puffed Wheat and Puffed Rice every day in every way you can. Your family deserves this finer kind of nourishment. Your grocer has Puffed Wheat and Puffed Rice. The

HENRY IN VANCOUVER

New C. N. R. Ship Given Great Reception on Saturday of Sanking

VANCOUVER, June 24:-Gaily decorated with flags and streamers Pacific Coast transportation ser- first prize. vice arrived from San Pedro at Wil-

After the official formalities had been completed, she was put under way for Vancouver and made a quick run over, doing the distance from Victoria to Point Atkinson in three hours. Captain J. Gilbert, who brought the vessel over from Bir- Was Proprietor of Central kenhead, was in command. Capt. Dan Donald, commodore of the Pacific Coast fleet, who met the Henry at San Pedro, was also on the bridge and will take official charge when this boat is placed in the Alaskan service, commencing on the evening of July 3.

Victoria-Vancouver service.

The welcome at Vancouver was a great sight. Point Atkinson had hardly been passed before salutes were being accorded. From then into the Canadian National pier there was a terrific din, which included an automobile horn chorus from hundreds of cars parked along the roads in Stanley Park to give their occupants their first view of the palatial new liner. Thousands people were on the pier and they took the first opportunity of boarding the boat to have a first hand look at her beautiful appointments! The funeral took place Saturday The trip across the Atlantic provided a severe, yet interesting test in the opinion of Capt. Gilbert. Every kind of weather was encounter- ial Park. ed and all the way up the coast all "At no time did I ever give a signal Vanderhoof Folk "At no time did I ever give a signal that was not quickly met by her engines and she performed like a veteran throughout. Her seagoing qualities have been proved and she meet all sorts of weather conditions and handle herself exceptionally well in rough and rolling seas.

Mayor Orme stated that the mat-

Klim is whole, sweet, dairy milk from which the natural water has been removed. When you consider that fresh milk is over eighty-seven per cent water, you will see how easy it is to carry an ample supply of this pure, wholesome milk in powder form.

All you have to do is to replace the water, and instantly you can enjoy delicious, full - cream, dairy milk for tea or coffee, for cooking or for drinking. There's no wastage with Klim . . . you mix just as much or little as you need . . . and that spells economy.

10 cents will bring you a trial size can of the new, full-cream Klim. Send for it today.
